## Rome Mobility: A Recap of Our Second Event

**We are thrilled to share the highlights of our recent adventure in Rome, Italy. From June 7th to June 11th, our project took flight in the heart of the Eternal City. Trainers from Romania, Turkey, Portugal, Belgium, and Bulgaria gathered for five days of discovery and collaboration. Our host was**

### Photography Training: Capturing Cultural Heritage Through the Lens

**One of the central themes of our Rome mobility was the art of photography and its relevance to preserving cultural heritage. Our trainers and participants delved into photography techniques and their applications in the cultural heritage sector.**

### Participant Experience

#### Exploring Rome and Learning Together

**Not only did our attendees embrace the rich heritage of Rome, but they also engaged in well-structured workshops and training sessions. It was a unique blend of cultural immersion and professional growth.**

### Stay Connected

#### Follow Us on our Social Media and Website

**For more in-depth coverage and a visual journey through our Rome mobility, visit our social media accounts and website. Stay informed, engaged, and connected with cultural heritage.**
